Dear Clan Officer,

St. Andrew's Society of Detroit cordially invites your Clan's participation in the oldest continuous Highland Games in North America. Our 161st Annual Highland Games will be held again at Greenmead Historical Park in Livonia, Michigan on Saturday August 7, 2010. The enclosed brochure will offer information on our great event.

A registration fee of \$55.00 will provide you with two entry tickets, and a 10' X 10' tent in Clan Row, one table and two chairs. Additional tables, chairs or tent are available at minimal cost.

You won't want to miss the Friday night Ceilidh also located on the site.

Please detach and complete the following Clan registration form. Return the completed form with payment in the enclosed envelope. Upon receipt, we will forward additional information as we get closer to the dates of the games.

We look forward to seeing you and your Clan family in August.
